

PTA Technician

About the job

We are looking for an experienced PTA Technician with technical and practical experience. The position involves industrialization of new products and optimization of existing production flow in our factory in Nørre Alslev. You will join our PTA Department of 6 colleagues with a high professional level. At HARDI, we develop and produce many of our components ourselves, so you really get a versatile job with a wide range of tasks.

Your responsibilities

- Act as a project manager when implementing new products in the factory from idea, prototypes an 0-series to layout of work centres and production flow
- Create and maintain timetables and other master data in our ERP system
- You will participate in PCF meetings where new products are discussed
- Optimize and create new assembly work centres and set up flow using Lean principles and Dynamics AX

Your profile

- Technical background and experience as an engineer, production technologist, mechanical engineer etc.
- Preferably experienced user of Dynamics AX
- Good project management skills
- Knowledge of Lean principles
- Excellent collaboration and communication skills at all levels
- Excellent communication skills in Danish and English verbally as well as in writing
- You are innovative, quality-conscious and solution-oriented. You work systematically and you are curious and positive about new tasks – especially difficult tasks within Dynamics AX

We offer

Do you want to help shape the future of agriculture and make your mark on sustainable food production? We develop intelligent sprayer solutions that not only make life easier for farmers but also make a difference for the environment. This means that we try to go beyond state-of-the-art when we design machines that minimize the use of water and chemicals – machines that control weeds, pests and diseases one plant at a time. Through care, innovation, and excellence, we expect to see precision farming as the solution for the future of farming.

We have more than 900 employees worldwide. You will join an organisation, where the tone is informal, and the spirit is strong.

This job is at our head office in Nørre Alslev where you will join approx. 420 fantastic colleagues. We believe in each other, our customers and we believe in a sustainable future for agriculture.

Application

You are welcome to contact PTA Manager Bent Palle Johansen on tel. +45 20 80 80 62 for further information. We look forward to receiving your application and your CV. The position will be filled when the right candidate has been found. Applications will be dealt with continuously. Please submit your application, which can be in Danish by mail to hr@hardi.com. Please enlighten us on where you saw the job advertisement.
